Welcome to Central Otago the home of curling in New Zealand. If you are a first time visitor to Naseby I hope you enjoy this unique part of New Zealand. Nestled 2,000 feet above sea level Naseby owes its existence to the discovery of Gold 150 years ago. Now it is curling that attracts national and international visitors to this very historic town.

I hope all teams enjoy the competition on the ice and the comradeship that goes with any international competition off the ice. If you get the chance I hope you take the opportunity to explore the area a little. You will find Central Otago full of friendly people who will share with you the things that make this such a fantastic place to live and visit. Soak up our fantastic scenery and enjoy life at a pace that lets you experience everything that we have to offer.

Winter Games NZ 2013

Naseby, New Zealand

On behalf of the World Curling Federation (WCF) and our 50 Member Associations, it gives me great pleasure to welcome everyone to Naseby, New Zealand for the Winter Games NZ 2013 Curling competitions.

This will be the third edition of this event, which has proven to be a high-calibre competition on the sporting calendar. The WCF recognises that these Games provide an excellent opportunity for elite curling teams from Pacific-Asia region and beyond to kick off their curling season ahead of what will be an extremely important year ahead with some of these teams looking to compete at the Olympic Winter Games in Sochi, Russia in 2014.

The curling event will feature traditional men's team games along with a mixed doubles curling competition. I'm sure both of these events will be a great showcase of our sport for those following in New Zealand and around the world.

The town of Naseby has a long association with our sport, dating back over 100 years therefore it is fitting for such an event to return to this part of New Zealand which is steeped in curling history. I hope that everyone involved in the event is looking forward to sampling Naseby's famously warm hospitality and New Zealand's rich cultural heritage.

I would also like to take this opportunity to pay tribute to the hard work undertaken by the Local Organising Committee, the New Zealand Curling Association, volunteers and officials in hosting this event.

To everyone coming to Naseby – competitors, organisers, volunteers and spectators alike – I would like to wish you all 'Good luck and Good Curling!' at the Winter Games NZ.

**Kate Caithness**

# New Zealand Curling Association President's Message

Hi Everyone,

Welcome to Central Otago New Zealand. Thank you for coming to participate in the Winter Games here, courtesy of Audi Quatro. We hope you enjoy your time here at Naseby, one of our towns rich in history and at the Maniototo International Curling rink. Good luck with your games. We wish you well in the competition and look forward to seeing you back in the near future.

**Bruce Kissel**

*President, NZCA*

## CEO Winter Games

---

A big welcome to all participants and supporters in the Audi quattro Winter Games NZ. Naseby and its residents hold a very special place within the Winter Games. A beautiful location with a long and colourful history where the impossible becomes possible. The Maniototo International Curling Stadium and its associated natural luge track is a prime example of what a small community can achieve if it sets its mind on something. You are the beneficiaries.

Now, with the Sochi Winter Olympics just six months away, this competition will be a valuable part of your build-up towards Sochi. Accordingly, I wish you all well and may the competition do what all sport does best - provide great battles on the ice and even greater friendships off it. I look forward to seeing some of the competition.

warm wishes

**Arthur Klap**

*Chief Executive*

## Event Chairman – Sam Inder

New Zealand Curling Association Chairman's Message

Event Chairman – Sam Inder

Welcome

On behalf of the New Zealand Curling Association I extend a very warm welcome to the 2013 Audi Quattro New Zealand Winter Games Curling Competition and to Naseby. To all dignitaries, officials, players and visitors, we look forward to hosting you and we trust that you will enjoy your time with us.

For those of you who have been to Naseby before, welcome back again. For those who are visiting for the first time, a hearty welcome to the "Home of New Zealand Curling".

This year Naseby and the surrounding district of Maniototo is celebrating 150 years since gold was discovered and many thousands miners rushed to the valley hoping to make their fortunes. Today the gold rush is part of our history but many of us who live here are decedants of those early settlers and are involved in the main industries of farming and forestry. I hope you will take time to meet some of the local people, explore our village and its history.

However the purpose of your visit is to compete in the Audi Quattro NZ Winter Games Curling. This event is supported by the World Curling Federation and will be an important step in the build up to next year's Winter Olympics in Sochi, so we can expect to be treated to some great curling.

Good Luck and Good Curling

His career as a chartered accountant brought him to Auckland in 1988 for a two year secondment. However he subsequently met Gillian, got married, started a family and a mortgage and has lived in NZ ever since. He finally starting curling again in Auckland after a chance meeting with Kenny Thomson and Peter De Boer at the World Seniors in Dunedin in 2009. His other sporting passions are golf, cycling and triathlon. However he is contemplating retiring from triathlon after being beaten in the New Zealand Half Ironman in January this year by all of the competitors in the 65- 69 age group despite being 20 years younger. He says his love of single malt whisky was a contributing factor. This is Iain's second appearance at the Winter Games.
